

2018-19 ACTION PLAN TO CLOSE THE GAP

Moving Forward

Home for All is creating momentum to close the jobs/housing gap. Our broad partner base is working to educate communities about housing issues and solutions, promoting innovation to address our challenges, and convening all levels of residents and decision makers to engage each other collaboratively.

INNOVATE

- » Promoting Housing-Friendly Policy Development by Local Governments
- » Encouraging Employee Housing Models, Including Cooperation with Schools
- » Identifying Underutilized Potential Building Sites
- » Constructing and Financing Second Units (ADUs)
- » Implementing Creative Funding Solutions
- » Producing and Publishing New Information about Housing, Congestion, and Transportation

EDUCATE

- » Increasing Public Awareness
- » Offering Presentations and Workshops

CONVENE

- » Facilitating Leadership Convenings
- » Experimenting with New Avenues of Community Engagement
- » Sharing Best Practices of All Types
